

BRILLIANT WEDDING OCCURS AT WESTON

OCCURRED AT ST. PAUL'S EPISCOPAL CHURCH AT WESTON TODAY AT HIGH NOON.

MISS FLODA BAILEY OF WESTON AND MR. DUDLEY BRITT OF THIS CITY UNITED IN MARRIAGE.

SOCIETY PEOPLE FROM HERE AND FROM PARKERSBURG IN ATTENDANCE.—COUPLE WILL RESIDE HERE.

Weston, W. Va., Feb. 18.—(Special).—Today at high noon in St. Paul's Episcopal church here the marriage of Miss Floda Bailey, daughter of Mr. and Mrs. Douglas M. Bailey, to Mr. Dudley D. Britt of Clarksburg, was most beautifully, though quietly, solemnized, the Rev. A. B. Grimmon, rector in charge, officiating.

Long before the appointed time the church was filled with a large and fashionable audience. The chancel and altar were elaborately decorated with palms, potted plants and greenery, and with the handsome gowning of the women, made a brilliant effect. A delightful program was rendered by the organist and on the arrival of the bridal party the sweet strains of Lohengrin's wedding chorus was softly chanted, and the nuptial song, "The Church of the Living God," followed by the maid of honor advanced down the center aisle. The groom and his brother, Mr. Benjamin Britt of Norfolk, Va., who was the best man, met the bride and her father at the chancel steps. After the betrothal the bride and groom advanced to the altar, where the impressive service was read, at the conclusion of which the wedding party left the church to the inspiring chords of Mendelssohn's wedding march and drove to the home of the bride, where a wedding breakfast was served to only the members of the immediate families.

The ushers were Messrs. Sydney Britt of Norfolk, Va., Arthur Dennis of Maryland, James W. Williams and Lynn S. Horner of Clarksburg.

The bride's gown was a handsome creation of white panne crepe, made in train and trimmed in chiffon, lace and pearls. She wore a full veil of tulle fastened with a spray of orange blossoms and carried bride roses.

The main of honor, Miss Estelle Lively, wore a beautiful gown of white chiffon, trimmed effectively in monochrome and lace. She wore a large picture hat of tulle and carried an arm bouquet of La France roses.

Mr. and Mrs. Britt left later in the afternoon for an extended trip in the east, and will occupy their new home on South Chestnut street in Clarksburg some time in the early spring.

Many out of town guests were present, among whom were Mrs. Jora Cumden of Parkersburg, Mr. Arthur Dennis of Maryland, Messrs. Benjamin and Sydney Britt of Norfolk, Virginia.

OIL FIELDS

SMALL WELLS ARE RESULTS OF DEVELOPMENTS THE PAST DAY OR SO.

Stray Sand on Talkington Farm in Folsom District Shows Up Well.

On the east side of the Folsom district, in Harrison county, Treat and Crawford and the South Penn Oil Company have completed No. 3 on the Alesia Talkington farm and has a 10-barrel pumper. No. 4 on the same farm is showing some oil at 30 feet in the strata. The South Penn Company shot its test well on the Z. M. Price farm and collapsed the casing.

In the same district the South Penn has drilled its No. 4 on the Blackshire Wells & Company tract into the Big Indian sand, but has not reached the pay. The same company is drilling No. 46 on the same tract.

In the lower end of the Folsom district in Wetzel county, Miller Bros. have completed No. 3 on the Alesia Talkington farm and have a 90-barrel producer in the Gordon sand.

In the Salem district the South Penn Oil Company has shot its No. 2 on the Michael Murray farm and will not have better than an 8-barrel pumper in the Gordon.

BIG BUILDING CONTRACT.

Contractor Arnold Has in the Clarksburg Industrial Company's Addition.

Contractor Arnold, who is engaged in constructing the glass plant, on the Clarksburg Industrial Company's addition to the city, has the contract to erect fifty houses on that addition to coming spring. They will be modern cottages. This is good news, as it indicates an increase in population and the working forces of this section. The important question is, how to get to them after they are furnished. In a few months the company will have its big bridge completed and no doubt there will be a railroad running into the property. Push the good work along as fast as possible.

IMPERIAL WILL OPEN.

The re-construction of the building occupied by the imperial saloon is under good headway, and will soon be finished. Messrs. Nellis and Duffy expect to reopen this week. They have re-furnished it in a handsome and costly way.

HOODLUMS SHOOT

AT SCHOOL CHILDREN PLAYING ON THE GROUNDS AT THE MONTICELLO ADDITION SCHOOL.

SALLS PASS OVER HEADS OF CHILDREN, BUT SO DANGEROUSLY NEAR AS TO FRIGHTEN THEM VERY MUCH.

Jorn Bailey Corn Had a Hand in the Outragious Affair.—Desperadoes Should Be Punished.

Hoodlums indulged in a very culpable trick in Monticello addition Tuesday afternoon. Two fellows whose names are known but suppressed for good reasons appeared to be under the influence of whiskey, and had evidently lost their senses. They wanted to do something desperate and could think of no better way to do it than to shoot at the school children there and their teacher, Miss Hettie Young. The children were on the play ground at the time, enjoying themselves in recreation. The fellows spied them and began shooting in their direction. The balls went over the heads of the children to frighten even older people. One of the fellows was seen later going up street in his shirt sleeves with a gun protruding from his hip pocket. He has been in Squire Gordon's court and has a good chance of being there again. What the Squire will do to him next time, if the evidence warrants, will be a plenty. The other time he got 60 days in jail and had to pay a fine of \$25. Their behavior was an outrage and the authorities should see that they are severely punished.

BITTEN BY DOG

M. J. FRANCIS, THE WILSONBURG MERCHANT, SERIOUSLY INJURED ON RIGHT HAND.

Dog Plunged His Teeth Into the Member, Inflicting Seven Ugly Incisions.

M. J. Francis, of Wilsonburg, was seriously bitten by a dog Wednesday morning at his store. He has a large Mastodon bull dog, weighing possibly 150 pounds. The dog had gone from home to the store and after playing with him for a while in front of the store, Mr. Francis ordered him to return home. He did not obey and his master doubled up one of his fists and shook it at him. The dog resented this by grabbing the fist and plunged his teeth into the hand, inflicting seven ugly incisions. Mr. Francis came to the city at once and submitted to medical treatment of the member and wears it all bandaged up now. It is his right hand. The dog was not mad and no uneasiness is felt as to hydrophobia ensuing.

FUND OF \$50,000

FOR BISHOP PETERKIN WILL BE RAISED BY THE EPISCOPALIANS OF WEST VIRGINIA.

Every Church in the Diocese is Interested in This Very Commendable Movement.—Special Efforts Will Be Made Easter.

The Episcopalians of this state are preparing to celebrate the twenty-fifth anniversary of the consecration of Bishop Peterkin, which occurs on May 21, Ascension day. It is to be made a gala occasion.

The diocese of West Virginia will make a united effort to raise a permanent endowment fund of \$50,000 in honor of the bishop's twenty-five years of service. The permanent fund at the present time amounts to about \$20,000; so that it will be necessary to raise \$30,000 by Ascension day.

The members of the diocese hold Bishop Peterkin in high regard and they are desirous of showing material appreciation of his services. They have never been wanting in the loyalty to the venerable bishop, and it is believed that on this occasion they will step boldly to the front as usual. In many churches there will be special effort made Easter for raising the proposed fund.

SALEM CHARTER

HAS NET ANOTHER FIGHTING CHANCE IN THE LEGISLATURE. STATE SENATE MAY PASS IT.

IN THAT EVENT THE HOUSE WILL LIKELY RECONSIDER THE MOTION INDEFINITELY POSTPONE ACTION ON IT.

Delegate Kyle Speaks Encouragingly of Clarksburg's Chances to Get the State Capitol, if Work is Done.

Delegate Jasper S. Kyle, from this county, expresses the opinion that the fact that some places have so many more delegates than others is the reason of an apparent boycott in legislation for those places. They get nothing, while other places get all they ask for. For instance, Wheeling and Parkersburg. He thinks there ought to be at least three delegates from Harrison county. He is of opinion there will be an extra session of the Legislature to reconsider the Tax Commission's report and recommendations. In speaking of the capitol he says: "We can obtain the capitol. If we begin in time and stick to it, but it will take planning and work, then and not until then will certain parts of the state respect us." Mr. Kyle says of the Salem charter matter: "If the Senate passes the 'Salem charter bill' we think we can have the House bill rammed through, which appears will be done."

SOCIETY'S WHIRL

Mrs. AND MRS. WILLIAM HAZ LEWIS ENTERTAIN AT A PRETTY VALENTINE PARTY.

NEWS AND NOTES OF THE DOINGS OF THE SOCIAL SETS OF THE PAST WEEK.

Mrs. Morrison Entertains Five O'clock Club and Mrs. Parr the Afternoon Euchre Club.

Mr. and Mrs. William Haz Lewis entertained on Friday evening in their charming home on Mulberry street to a few of their friends, with no special honor guests. The affair was in the nature of a Valentine party, and in consequence the hosts had conceived the happy idea of carrying out the heart and valentine effects in every possible way. The shaded lights and the covering of the tables were of brilliant crimson and from the ceilings in the parlor and library were suspended crimson hearts and Chinese lanterns directly above the tables, which were in this unique way numbered for the very fascinating game of progressive euchre. Boxy Grandpa's lantern was one of the most conspicuous decorations of the parlor, while brilliant crimson and white carnations were the attractive decorations of the library. In the dining room where delicious refreshments were served, the conceit of St. Valentine was carried out in all its appointments. Red and white were the predominating colors used in the flowers, shades of the candelabrum and refreshments. Large crimson hearts were festooned on the mantel shelf, table and buffet, and largely made up the entire decorations. In the center of the Flemish oak table was a high vase of crimson and white carnations, resting on a crimson colored silk heart, which was beautifully outlined by a large heart composed of a heavy rope of smilax, heavily studded with carnations of brilliant hue. The four corners of the table had large bunches of smilax and crimson bows, from which hung festoons of crimson hearts. That formed an artistic border to this very pretty appointed table. The idea was in the shape of a large white heart and dainty valentine, and were presided over by Mrs. Richard T. Lowndes, Jr. and Mrs. Hal Milton Rapp. Mints, wafers and coffee were also served. The head prize was won by Mr. Richard T. Lowndes, Jr., on a cut with Messrs. John D. Hart and Lynn S. Horner. The other head prize was captured by Mrs. Richard T. Lowndes, Jr., while the second prizes were carried off by Mr. A. M. Tyell and Miss Garrard. The score cards and souvenirs presented by the hosts were also in the form of hearts and valentines. The tally was kept by Master Joe Sands, who punched the dainty crimson and white decorated hearts, and so heartily did the guests enjoy themselves that the evening went as one short hour.

Mrs. Robert L. Morrison entertained a very enjoyable meeting of the Five O'clock Club Saturday afternoon. Tea and wafers were served from an attractive tea table. The only out-of-town guest was Mrs. Doreums Paden of Parkersburg.

The Afternoon Euchre Club was very pleasantly entertained by Mrs. Anson Dearing Parr Thursday of last week from 3 to 5 o'clock. There were four tables of progressive euchre. Pink and white were the colors used. The prize was won by Miss Emma Freeman and the lone hand prize by Mrs. Edward Steele Wallis.

Miss Nellie Barnes of city and Mr. E. H. Hammond were married in San Francisco on Sunday afternoon, and will reside permanently in that delightful city of the west.

Mrs. Anson Dearing Parr will be hostess of the Five Table Card Club Thursday afternoon of this week from 3 to 5 o'clock.

Mrs. Moore-Jackson will entertain the Wednesday Whist Club on Saturday afternoon in honor of Mrs. Thomas W. Pettigrew of Indianapolis, who will be the guest of friends in the city for the next fortnight.

Mrs. Peter Koblegard will be hostess of the Tuesday Night Euchre Club Tuesday evening of next week from 8 to 11 o'clock, and will have Mrs. Frank Maxwell of Buckhannon as her honor guest.

ERROR OF HIS WAYS SEEN

By John J. Davis, According to Pittsburg Dispatch Correspondent.

The Charleston correspondent of the Pittsburg Dispatch takes the liberty of announcing to the world that John J. Davis, of this city, is in favor of keeping this county Republican. If what he reports is true, there is reasonable ground to believe that Mr. Davis has finally seen the error of his ways and deserted the political party, of which he has so long been a member. The correspondent, in speaking of the defeat of the Augusta county bill, says:

"It was noticeable that Augusta county adherents voted for the charter, and vice versa. The charter fight will be continued in the Senate, but its doors seem sealed in the House. Democratic opposition is said to be inspired by word from John J. Davis, a Democratic leader of Harrison county, that the charter's defeat would lose the county to the Republicans."

BIG ORGANIZATION OF COAL OPERATORS

BITUMINOUS BOAT TRADE ASSOCIATION IS THE NAME OF THIS GIGANTIC CONCERN TO CONTROL FLUCTUATIONS OF THE MARKETS.

TAKES IN SEVENTY-FIVE PER CENT OF SOFT COAL MINES IN WEST VIRGINIA.—OFFICERS ELECTED IN A MEETING AT PHILADELPHIA.

Philadelphia, Feb. 18.—A large number of bituminous coal operators, shipping to tidewater, met here yesterday and formed an association to be known as the Bituminous Coal Trade Association. It is said the new organization represents about 75 per cent of the operators in the Clearfield, Cumberland, Mercer and Flat Top, New River, Beach Creek, and West Virginia fields. T. C. Lovell, of New York, was elected president, and H. S. Glading, at one time secretary of the independent anthracite coal operators' association, was made secretary. The object of the new association is to control the fluctuations in the speculative market and regulate the output so as to avoid a deficiency, or a great excess of supply.

After organizing, an executive committee, which will be the governing body of the association, was elected. It is composed of operators of the various regions, as follows:

Mitchell, George E. Scott and Col. J. R. Corvill.

Cumberland—W. D. W. Walbridge and W. G. Sharp.

Marysville—T. T. Boswell.

Flat Top—W. D. Bullitt and H. J. Atwater.

New River—C. R. Orentt.

Beach Creek—A. G. Gates and W. D. Kelly.

The representatives of the West Virginia region have not yet been selected.

The executive committee, after its organization, held a conference on the matter of our supply and a sub-committee was appointed to look after that feature of the trade.

Members of the new association deny that the organization was formed for the purpose of fixing and regulating prices.

The headquarters of the association will be located in New York.

President Mitchell will attend a number of state conventions during the next six weeks, beginning with the Illinois state meeting at Springfield this week.

Secretary Wilson was shown the report from the anthracite district that the miners had started to raise a \$750,000 fund for President Mitchell. He said: "Mitchell will not accept it. He has already called off two movements such as this."

DEATH OF ROSS F. STOUT'S CHILD

Occurred Tuesday Afternoon at Thine O'clock.—Father Is in Colorado.

The one-year-old son of Mr. and Mrs. Ross F. Stout of East Main street, died yesterday afternoon about three o'clock, after being very ill for some time with the epidemic fever. A. Stout is in Denver, Colorado, and at this writing it is not known whether he will be able to return here in time for the funeral or not. Therefore no arrangements have been made for the funeral.

It has been learned that Mr. Stout was unable to attend the funeral, owing to the great distance he is away from home. The funeral will be Thursday afternoon at 2 o'clock, and the interment will be in the Masonic cemetery. The funeral will be private.

Pittsburg, Feb. 18.—One of the most severely contested political campaigns known in this city and Allegheny for many years, was closed at the polls yesterday with the thermometer hovering near zero and a blizzard prevailing in the early hours. The contest was for the first election held in this city under the provisions of the new charter, and was waged between the regular Republicans and the Citizens-Democrat parties. An extremely heavy vote was polled in spite of the weather.

The estimated results in Pittsburg show the election of William B. Hayes, Citizens-Democrat, over John C. Haymaker, Republican, by a majority of about 7,000. In Allegheny, James C. Wyman, Citizens-Democrat, has defeated Dr. S. S. Woodburn, Republican, by a majority of about 5,000. The returns at this hour (11 p. m.) are not complete enough to make a reliable estimate, but Wyman's friends are claiming his election by a two to one vote.

Numerous election fights occurred at the polls, but nothing of a really serious nature is reported.

Municipal elections were held generally throughout the western Pennsylvania, many of them exciting and hotly contested.

PLEASANT SOCIAL HOUR.

A very pleasant social hour followed the business meeting of the Young Men's Christian Association last evening. The new Y. M. C. A. orchestra rendered very creditably several selections. Mrs. D. W. Jacobs, Mrs. D. M. Ogden, Mrs. S. E. Boggs served coffee and sandwiches. Miss Roberts of Broadus college assisted in the program.

Rooms Are Elegantly Arranged and All Appointments Are Perfect.

Prof. Nott is to be congratulated by all who love an antic. Dr. Nott certainly knows his business, and is strictly up-to-date in his profession. His dancing rooms in the Elkridge building are the handsomest in the state, and the appointments are perfect. The reception rooms are attractive and artistically arranged. Every department is handsomely equipped, and no expense has been spared by Dr. Nott in making them perfect. The doctor devotes his entire attention to the work, and while he is enthusiastic, yet he possesses a certain conservatism which makes the character of his work perfect. Already he has received a liberal patronage, and has some very interesting classes. He is pleased with the aptness of his pupils. They are very highly pleased with him as an instructor and loud in their praises of his ability. A commendable feature is the courteous manner in which the school is conducted. The decorum is perfect. The doctor would not permit it to be anything else.
